1. Step 1- a "The Royal Priesthood of God" !

[Dear brothers & sisters in Christ our LORD.](#)

I welcome you to our: Royal - Priesthood of GOD - min. / seminar!

Especially you whom with hungry hearts & a strong desire long for more of Him. Let God's blessing rain fall on every dedicated royal - priesthood member. You reborn; are all children of our Lord and this is the time our Father is calling you into his purpose. Come and let's walk in Christ together. Our Holy Father is waiting for all of you to give you His blessings and grace so enjoy in partaking in this precious Seminar; his blessing and treasure of Godly life.

A kind of overview about Father's plan which He prepared even before the world was created by His living Words - called

[A Lamb for reconciliation!](#)

The Lord developed this plan in case mankind should fail to hold on against: the temptations of the deceiver - the old snake with his sneaky tricks - though he in the very beginning was created as an beautiful angel called Lucifer -about which later more!

Already long before Lord Jesus cried out on the tree of Calvary: *It's finished!* He as Conqueror went there into death and rose from the grave there had been called many servants to serve the Lord faithful and in great awe; before His holy face look for samples in Hebrew 11 there you'll find p.e.: a Henoah - a Job - a Daniel and an Abraham who even was called in his days - a *friend* of God and also others as Asaf & Sadock about which later more - very special people chosen by His precious Spirit to serve before Him!

Among these a for our Seminar very important figure: *Moses* who after his escape out of Egypt in a hard desert-life was moulded by God unto a gentle / meek person - chosen one by the Lord - the "I am" during their appointment at that burning bush on mount Sinai to deliver His people out of Egypt and lead and guide them unto His promised land!

During this intensive travel by feet guided by *The Angel* of the Lord and by the Shekina he reached mount Sinai where Moses met God again and where he during the 3rd visitation did receive the: "2 Tablets with the 10 Words" and a natural blueprint of the in the book Hebrew prescribed spiritually Tabernacle in heaven divided in 3 sections each with it's own particular objects to which I regularly will symbolically refer for support unto this Seminar to use these all as pillars during this course !

Mention this for God very precious tent: it was His ability at *that* time to restore the contact with His lost generation. This tent had to be established by anointed men / wise in there hand-crafts and through *free* gifts from by God ordained and inspired givers who were willing to give with love out - of their hearts - what was needed. So it was and for Lord Yahweh add for all of these people a very precious gift Mention: all of this Tent incl. it's ceremonies and sacrifices pointed out unto that precious event of that holy Sacrifice on that great: "Day of Atonement" at Calvary's tree - about which in Step 1 b more - however:

About his: royal- priesthood is already referred even in Exodus 19: 6 and later On in: 1 Peter 2: 9 then we'll find it 2 times in Revelations 1: 6 and in 1 Peter 2: 8-10 there added with info about his living stones with Christ as the Cornerstone in the holy nation etc. all needed to establish that for Him so very precious: royal-priesthood!

Realise - at least : try - to do that in the heavenly Father's heart there's a heavy / burning - deep desire a yearning even a loud cry filled with compassion unto those who yet live in darkness and to the religious walking in circles without ever reaching their destiny the very reason He gave His Son as a Bridge over the trebled waters of life as shown in : John 3: 16 - a holy Sacrifice for a re conciliation - ability unto all human being and about which in Step 1 b much more ! Be blessed by studying this phase - next phase I'll conduct is Step 1 b! Bless you and till soon!

br. Paulo!

1.1. Step - 1 b

Wish you a blessed day and realize Jesus knew about the Zoë - live Words

*Words that were hidden in the Words of Live in His Fathers heart!
All of these He shared shortly after His resurrection to those Emmaus - friends which did set their heart on fire not to mention the Kingdom messages during the 40 days right after His resurrection all of His youngsters !*

Let's go back a while to [Step 1 a](#) - to go little deeper into that intensive heart-cry of our Father; recently while I was suffering dearly from loneliness I became an impression about a very deep cave nearby the Japanese coast and I realised that it expressed the depth of the pain God suffered since He had lost His relation with Adam & Eva - until that other relieving cry there on that hill of Calvary saying: *It's finished* - same time I saw a picture of Jesus on the cross:

I realised that the depth of what He experienced was as least as deep as the depth the Father had suffered before! Then the very high mountain of Mount Everest appeared in a vision and I saw great glory come and breaking through because of this suffering and that it 'ld be extremely powerful and overwhelming - read now

[Hebrew 12:1-5](#) and [Isaiah. 53:10-11](#) and meditate on it -as that concerns his deepest desire and He's looking forward to it with great Yearning to see it happen!

[Now to a next phase:](#)

Abraham - who's called: a *friend* of God - did build in His time already altars and for reminding and for repentance. He lived cloth to His heart and by His *inner* lows so he didn't need a law written to live by he and the Almighty trusted each-other very deeply as Abraham even was that much assured of God's faithfulness that he dare to go and sacrifice his Isaac on mount: Moriah - knowing God 'ld give his Son back to him and indeed the Lord provided in a ram - mention here the attitude of Abraham's intimate and free relation with God - reason to Him to ordain Abraham to become a father of many nations !

Years later Moses - through the mighty arm of " I-am " had brought the people out of Egypt and now they were approaching mount: "Sinai" - the same place where Moses met God the first time years ago and God called Moses to visit Him there upon that mountain again - during that time the people started to listen to Egypt minded leaders and started to feast and behave like those Egyptians! This caused Moses 2 times climbing on that high mountain but he went and was blessed with the most intimate fellowship with

Up there he received his: **10 Words** burned with fire in the 2 Tablets of stone and the complete set of instructions and: "he went back with the shining from **glory of the Most High** on his face"

Then they started to established the Tent with ceremonials and it was realised as the Lord had ordained this all because: their hearts where hardened ad they didn't react anymore unto that inner low from that time on the different types of sacrifices and also the 3 levels of priesthood started to function before the face of the Lord this all as a ran some and a pointing out to that one time ultimate event of our Lord at the:

"Sacrifice on Calvary's Cross"!

A particular event was the: Jewish day of Atonement that day something special happened: the high priest prepared himself to enter with the blood of - a goat into God's very presence to sprinkle that blood there on the mercy-seat this to redeem the whole nation for a 1 year period - there where however 2 goats .The other was kept alive end send - with *all* the sins of the people of that year on his head unto Asasaël the dessert god - who stands for - the serpent and enemy - satan!

Now let me show you the fulfilment on this Old Testament shadow picture: On that ultimate-precious costly: **"Day of Atonement"** His / our Lam was sacrificed → this on our behalf - mention this Offering had min. also 2 functions it created the way to **reconciliation** with the longing heart of the eternal Father but it was also a down - payment for sins mankind had

committed as: the wages of sins is death! Our Lord paid for that debt as it is quoted in the book of Revelation: **He did buy us for God → with His blood!** Another thing His Sacrifice achieved: was: it also did set us free from the curse of the law by becoming a curse on that wooden cross!

Let's go for a deeper view now - just for a while unto: 1 Peter 1: 9! In the Dutch - N.B.G. Bible it is quoted there a very powerful statement: "The soul of mankind will - in a process - put on incorruptible life:" **Jesus is the First and as the Forerunner in all!** So this happened to Him first; both His spirit and His soul where a very powerful *unit* of incorruptible life this makes it very interesting what happened when He cried out: "*Father I commend My spirit into Your hands*".

Mention the blood is part of the soul so it also did transform in a incorruptible holy blood → keep this in mind! Then Jesus cried out: **It's finished** or **It's done** and He went as **Conqueror** into that dark place: proclaiming His message of everlasting LIVE to the captives and many where saved those days. Then He rose → Now the holy Trinity is a re union again - and forever!

You remember my-keep in mind -?! When Jesus arose Maria from Magdalene wanted to touch Him but He didn't allow her to do it yet - the reason: He had to go to His / our Father as our High priest - according to the ordering of Melchisedec: Hebrew 5: 4-7 & Hebrew 9: 2-3 to sprinkle His incorruptible Blood there once and for all on the heavenly mercy seat and to handle it unto His and our Father! Now the way for reconciliation was free again and that plead ground is forever: Advice to go deep into this - meditate seriously on all - as it is *very basic* - even for the rest of this Seminar -! Take quality / enough time to go deep so an really catch this - br Paulo !

In this phase Step 1 c - I'll share on God's precious abilities because of this Holy Sacrifice as: redemption -repentance - salvation but also about a new spirit and heart and perhaps even more!

I'll be reachable for info / requests etc - as usual on fb - chat and on e-mail - br.

Paulo!

1.2. Step - 1 c "The Sacrifice of our Redeemer"

First now a moment of review about the big: Day of Atonement - on which our Lord brought His life as a pleading sacrifice to Calvary's cross where He created the ability for re conciliation with His Father's precious heart; this for all ages and for all people who will repent of their sins and apply by that Sacrifice to Him for forgiveness!

Due to this many promises in the Bible's - O.T. did find their fulfilment and also did this open the gate-way to the very essence and needed process of sanctification. Now 1-st some about: the new inner man - promised by the Lord in Ezekiel 36: 26 and also - in this phase I'll share about most of these processes! However about the case of reconciliation: I did share enough in Step 1b as well as about the 1 Peter 1: 9 *soul transformation process*. So now I'll share after mentioning some Scriptures about these items - about the rebirth out of:

John 3: 3 - 5 & 1 Peter 2: 23 and 1 Timothy 2: 6 - 7.

A new beginning

As soon as someone reacts on the Lords knocking at the door of his / her heart as mentioned in Revelations 3: 20; the process of renewal will start: the Word comes into the heart and the

Spirit of conviction is going to breathe on it and redemption with as fruit the reconciliation with the Father will break through → a perfect sample of the creative working of Gods powerful Word!

We'll find this also in the conceiving-process of Maria from her son Emanuel! Gabriel a messenger of the Lord was send to her with Words loaded with divine Godly-power and she conceived those Words in awe and great joy - she saved them in her heart and considered about them! These Words came within her as a Holy Seed; the Holy Spirit overshadowed her and the fruit - was conceived and then after time our Lord Jesus - God's Gift was born: the holy Word!

This process is in essence almost equal unto the creation of the new heart & spirit in mankind the so called: inner man like as quoted in [Ezekiel.36: 26](#) these Godly miracles of creation: A heart of flesh *willingly* - loving God and a precious new spirit with the equal essence as our Lord are very valuable / awesome tools to God in the renewal process of man's inner being and as we sow:

*God's friend Abraham was a man with a heart as in [Deuteronomy 10: 16](#)
and as in [Philippians 3: 3](#) and he was faithful even when God asked for his son
he did rely on Him - so a God pleasing person!*

Now little more unto the redemption of our soul-part as benefit of that precious sacrifice: About [1Peter 1: 9](#) → I shared in [Step 1b](#). Along with that - He did by sharing His blood also pay for our wages of sin as: "*He became sin*" for us and bared it's penalty: "*death*" and with that He also; as we shared broke-down over us the curse of the law and opened by fulfilling of [Isaiah.53](#) the full ultimate way to a complete renewal by the way of: *redemption / reconciliation & deliverance* from all kinds of evil influences and healing but unto this purpose is reached there is much to be done in this area - a heavy / divine process!

Mention after his resurrection Jesus went as High - Priest of the new covenant to his Father to take there His sanctified *blood* as unto the heavenly mercy- seat to be sprinkled once and for all as a cleansing blood for the throne of grace, this even for new sins of His redeemed and for all the people to come: [1John1: 9 - 12](#). By several means as: counselling / ministering and coaching: roots of evil - wrong thinking and living - patrons and boudoirs can be destroyed and broken and as a result Light will break through as we will see in lesson: [Step 1 d](#) !

God did provide in excellent means to develop progress this evaluation as: a *new* way of thinking resulting in a *new* way of living through the [Romans 8:1-2](#) inner law and through a grateful - joyful and peaceful *live - attitude* before His face which causes the inner man to grow and the fleshly behaviour to lose its: power more and more - which will take us to a deeper deliverance of evil traces in our lives as well - *Grace!*

Now little about man's conscious; often this is hurt or even damaged by a sinful life and by traumatic experiences. In [Hebrew 9: 14](#) - the Word speaks about the restoring and restoration of this conscious into a new balanced organ of the new man by processes as we sow before - so *also* our conscious will share in these benefits and together with the Holy Spirit it will function as guide for the new inner man! During the whole process of exchange - it's like a breaking up and out of a bad fleshly disaster's full / evil past unto the residence of our: *kings / priests* but at the same time our spirit is already pleased by rebirth into Zion & rules with Him there in the heavenly places - later I'll declare much more / deeper about this !

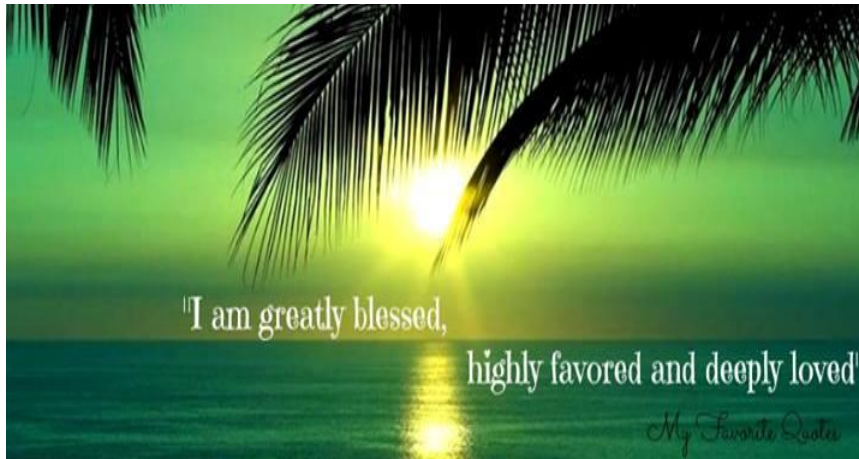

In [Step 1 d](#) - I'll show by means of O.T shadows & N.T samples about that trip our new man into a sanctified life in His presence; until then do prepare your selves by serious meditating on the following Scriptures:

Exodus 21; Isaiah 25 & Isaiah 35 ; Luke 6:12 – 36 Ephesians 4 & Hebrew 12

For now be encouraged by studying these [Step1 a-c](#) lessons; As usual you can for req. / info reach me by e-mail or on the fb chat! I herewith wish you a very blessed time - be encouraged by studying these lessons of: [Step 1](#) next to follow lesson: [Step 1 d](#)

- [br Paulo!](#)

1.3. Step 1- d "[Basics on developing processes](#) !

["Basics on developing processes"](#)

As I've promised in [Step1 c](#) herewith a lot more on the processes of leaving the area of the worldly systems and the flesh unto our destiny: the *Holy city of Zion*. But before that - I'll remind you on what I did tell about the yearning in the heart of our Father: restoring relations with His lost generations and that for this our Lord Jesus went to Calvary so that the way was opened to fulfill that precious [Ezekiel.36: 26](#) promise of a new spirit and a heart of flesh to be created in the redeemed human along with the Spirit of adoption:

The Holy Spirit of guidance and conviction was now enabled to start this work by means of the creative "Words of Live"! [John 3: 5-7](#) the same Word that was told to Mary through the heavenly messenger Gabriel and out of which Jesus was born. This opened the way to the Fathers heart to restart a new relation by means of the reconciliation process with His lost generations!

Mention God and men meeting each other there in paradise in the cool of the evening-sunset / a gentle breeze touching the leaves of the trees and meeting each other day by day; This must have been a very precious period of community and developing knowledge & wisdom! Actually - I do remember my own experiences with trees / wind and sunset as overwhelming embarrassments of the Holy Spirit!

This went on until that **dark** shadow appeared and started to approach mankind through that snake with its twisting words and apply on Eva's senses trying to deceive her by drawing her attention and eventually he succeeded → Eva fell in sin and somewhat later Adam - ordained to watch over the garden and to protect it and her - followed her in this disastrous event!

As we know now God had already a precious solution a: "[Stand in](#)" - this for if this was needed: "[A Lamb to be slaughtered](#)" → our Lord Jesus the Christ and though the Lord God lost those fellowships He always did find mankind with whom He was able to share His heart:: Abel who

offered the Lord from his best and later a Henoah; a Job and a Noah; whom all loved and Him acc. to that inner-written-law! Then Abraham - who was called out of the barren land of Ur from where he went with Sarah & Lot unto a country he didn't know just because of God's voice!

After Him God ordained a Moses; after **40** years of preparation - to deliver Israel out of Egypt and to lead them to the land of milk & honey but however most of that generation didn't reach that goal because of reasons mentioned in [1 Corinthians 10:1-11](#) & [Psalm 78](#) *br Paulo*

1.4. Step 1 d (2)

Let's now go to Exodus. 23: 2 - 3. Here we see actually God Who does serious effort with His provisions to bring these stubborn people unto that promised land by His servant Moses supported by the here so called: **The Angel** of the Lord - the same **Angel** as Stephen mentioned in his last speech in [Acts 7](#) **Who** spook to Moses in that burning bush - very special are here the words:

"The Name of the Lord was in Him"!

So **Who** you think could have been **This** is' an open question which is quite obvious to be answered; In [Step 3 a](#) more about this **Angel**! All these provisions were available under some conditions - with as most important: no contacts with *idols* from surrounding nations but most of the people failed to listen! Hebrew 12 shows us this spirally / special travel by feet as example for our travel unto Sion - the heavenly city - for which we also need to develop a 1Corinthians 9: 24 - 27 attitude with our Lord; an excellent Sample we read about in: Philippians 2 / Hebrew 12!

Another great key to the exchange of our inner man is: God's calling to us to depart out of religion into relation with His beautiful heart! Zechariah 2: up verse 5 shares clearly about this process; This particularly in Zechariah 2: 5 here we see our caring Lord with his provisions enabling them to flee from Babel - it says :

"The Word of the Lord will be a Fire inside and Glory around you"!

Mention here also [Zechariah 2:8 -10](#): Here we see the Lord as **THE** caring Companion in their attempt to go unto that Northern land → *His awesome City!* Also a chapter - I'd like to add here in this context is Isaiah 35 about leaving a place for hiding unto a new destination is! Here we see in verses 1- 4 three sources of provisions available to those travelers; in Hebrew 12 connected to this Isaiah 35 we see in the verses 1 - 3 the need of laying down sins & sorrow; here Colossians 3 is a great guiding help!

Here our new inner-men is of essential value to support us in our attempts, *please* do read: 1 Corinthians 9: 27 / 10: 20 & Colossians 3 in which tools are at hand to achieve the destiny of 1 Peter 1: 9 also of great help are scripts as: [1 Peter 4 and 5](#) & [2 Peter 1](#) - I'd like to advise you to each out for the beautiful principals from Isaiah 50: 4 -10 & 11: 1-3 and to those of Philippians 4: 4 - 13! In these parts of Scripture you'll find a lot of important keys and tools to succeed in your attempt to meet with Him on that mountain-top in that heavenly city called: **"Sion"**! As preparation to our closing lesson of [Step 1](#) - I strongly advise you to mediate / read next involving Scripts.:

[/ Ezekiel 27-28 / Luke 4; Ephesians. 6 up from verse 10 & James 1](#)

For more info or requests you can mail me or send an fb - message be blessed.

– br Paulo !

1.5. Step 1 e

He knew the power of: Psalm.149: 6 of growth in the living Words authority as praises grow stronger:

He had an inner being as Psalm 133 and was safe within: Psalm 139!

"Yes" - He was ready for those confrontations and as satan came unto Eva this ambitious and in pride fallen now hell-angel - in: *Ezekiel 27 & Isaiah. 14* - now came unto Jesus; with its slimy / switched and half true Biblical Words but our Lord resisted those attempts with **Zoë - Words** out of his inner Being; well coached by the Holy Spirit and operating within the presence of his eternal Father!

This satan – once: **"Lucifer"**- an excellent guarding angel clothed with many treasures and music equipments; now fallen down knew this 'd be his opponent and he was determined to destroy him but our Lord: **"Jesus the Christ to come"** – Who was coached / skilled and well trained by his heavenly Father **Zoë - Words** and by the **Holy Spirit** of Live and Wisdom; His precious Guide & Friend during all of his ministry here on earth - a very precious Helper; particularly quoted in Hebrew 5: 7 where He stretched his knees and lifted his holy hands up the Father this under severe pains He had to endure !

In Acts 1: 8 He Himself urges his youngsters to wait upon this **Holy Spirit's** power baptism even Peter after the rectification on his back-sliding and now filled with holy fire preached his sermon and those Words cut right into their hearts and the Spirit of God brought 3000 people down on their knees in deep repentance - who all got saved - baptized and who received that so valuable / badly **needed** power as shortly after they had to approach the Sanhedrin-high court and where urged to not even speak about this Name: **"Jesus"** but as they were released! They started to lift this Name up more and the Holy Spirits authority increased & He richly encouraged them by many new signs & wonders; this as the fruit of their endurance and holding on in whatever might happen!

Years back as shown in my testimony I did experience Gods hand in my own live: There in that tiny small Indonesian chapel under the anointing on a fire full African preacher I was converted by that Isaiah 53 Word of Phillip towards that Ethiopian servant whom was baptized on that place of many waters; there: I had a blessed meeting with the

*" Most beautiful Being": Jesus with His fire full / warm
tender eyes which looked
upon me with a love I'll never be able to prescribe!*

After being baptized I rose up and out of my inner man: a huge river of fire / love and secret Words came as liquid gold out of my mouth even "for ours" but did slip slide away. Later on: He - by His grace -drew me back into His arms this in spite of all!

Some years later in a church meeting back in Hoorn in the Berea-mi; an Indian - prophet spook a.o.:those fire full Words unto me about times to come:

*You are a Moses and you shall go in Fathers Name and you
will speak baldly the Word*

and prophecy His Name all over the Nations!

Now 28 years later God establishes these in the:” Royal-Priesthood of God”- min. incl. this fruitful Seminar! Now to *Ezekiel 27* where br. Don Potter did well by writing his book that’s called:

“With your face towards the wall”!

Here D- Potter strongly warns against receiving worship yourself which is meant to be –**only** for our God! Here it went totally wrong with Lucifer - as I did shared about - he was starting to feel very confidential with himself and his treasures - just gifts of: *God by His grace* so he lost track and pride started to develop in him - he failed and all glory went back to God - only all was replaced now with the contra power field all those cults / Isms / demonic and spiritually powers!

But praise is to God; the moment Jesus cried out: *It is finished!* Things started to change and the Cornerstone was been laid for a new Kingdom a beautiful / powerful royal-priesthood under authority of our most precious: Royal - High Priest & Chief Commander:

“the Lord Jesus the Christ”!

- This poison called sin also came into our world by Adam & Eva’s fall - this by the so called the desire of flesh! There is however just by His grace a solution against it about which I wrote much in our before. Special treatment is possible with living in Scriptures as: *Ephesians 6 up verse 10* & *1 Corinthians 9: 23 - 27 / 10: 12* but other encouraging parts here are as well:

Psalms 1 / 2 - Psalm. 27 & 84 and Psalm 149 &: Philippians 3 / 4

Our Lord knowing the scriptures and explaining those all to the depressed Emmaus walkers - during this sermon their hearts became on fire and the down-feeling melted - He knew the intense power of

Isaiah. 11:1-3 along with *Psalms 45: 8* culminating in *Hebrew. 1: 9!*

He who shared perhaps at deepest with John - He also helped Peter through - who later became a shepherd of the despair! This - our beautiful Lord Jesus -’ll reign for ever!

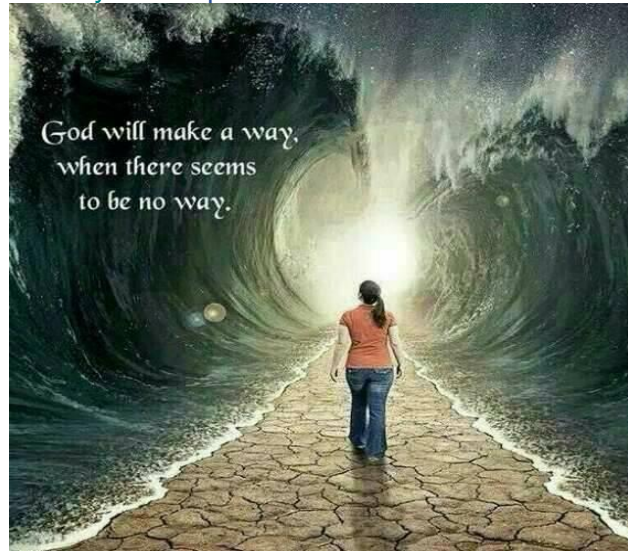

I intend to share in the next lesson on a new item: “*The fear of the Lord*” included some about a few men who indeed feared there Lord! I do strongly advise you to read as preparation here:

Revelation 1 & 19 ; Habakkuk. 2 / 3; Daniel 7: 7 -13 & Ezekiel 44!

As usual you can for req. / info reach me by fb chat! I herewith wish you a very blessed time in studying this last lesson in the serial of Step 1 a- e

- *br. Paulo!*

1.6. Step 1f " Summary "of Step 1 a- e

The Lord Jesus Christ-our: "King-high priest/Shepherd"-!

The Lord Jesus developed on all young age – can we read in Isaiah 50 vs 4 -10 this by listening to those warm and powerful creative words of his Father alive-spoken with a voice like that in John 3 vs. 29 a compassioned voice that created profound joy in him - in addition, he had a very intimate relationship with the Holy-Spirit - read now please Isaiah 11 vs 1-3 who urged him "from within" : to love the righteous-ness!

Psalm 45 vs 7 is prophetic for Hebrew 1 vs. 9 and in 5 vs 5 -10 you can see this development also. Also our Lord Jesus went through that process of 1 Peter 1 vs 9: "[The transformation of the soul](#)"-! This during his 3 years of ministry followed by that: "[Great day of Atonement](#)";! Now do please re - read: Leviticus 16 with the story about those 2 bucks: one for God and that other unto Azasaël the desert-god this as satisfaction for the sins of the people for that whole past year.

In the sacrifice on Calvary we'll see this back! At the time that Jesus became SIN for us, there was a large-very deep-loneliness-a short circuit between Father and Son "[Eli Eli Lama Sabachthani](#)" but also there became that from 1 Peter 1 vs. 9 to completion "in him" was his soul brought to glory. This had cost him a lot: Hebrew 5 vs. 7 so when Jesus laid his spirit / soul into his Father's hand and cried out, "it is finished"-! He gave his spirit / soul so included that Holy precious Blood into the safe/strong and reliable hands of his Father!

However, his body died a natural death and his natural blood resulted to be a repayment of our debt as a ransom to redeem us from evil! Also was fulfilled there the promises from Isaiah 53. ---- ! Here the curse of the law was broken: the soul who sins will die! His mind and soul were now in his Father's hand and he went [Victoriously](#) in the realm of death: Took away from dead the keys and proclaimed the new day of liberation from slavery: many were released and renewed by the living Words of reconciliation and his find grace to be redeemed: Revelations 3 vs 20 and to John 3 vs 5-7 On the third day Jesus body also parted in this resurrection power the desire Paul called out in Philippians 3! Now the completion of his preparation to Shepherd / King& High Priest after the order of Melchisedec in Hebrews 10 vs 10 was fulfilled.

– [br Paulo!](#)

1.7. Step 1f The 2nd part of our summary on Step 1 a-e !
Now something about

[John 20 vs 15-18 & Hebrews 10 vs 11 -15!](#)

Here you can see that our Lord brings that precious blood to the Father and that he sprinkles this once and for all on the mercy - seat of the heavenly Tabernacle-the way to reconcile between the Holy God our Almighty Adonai and the whole of humanity of all time! Now he was the mediator of the new Covenant between his Father and us: the High Priest of the in Revelation 1 vs 6 announced: "kingly-priesthood"! In a further lesson I intend to share also my vision in regard to the preparation of that group of priests →this in a equal kind of procedure as their and our Lord!

If we look back to the 1-st part of this essay, we see there are many basic principles that also apply to the training/coaching of this group of new priest / warriors. This makes sense because he has given us a example ☐ However, a big difference here is the point from which both processes began: the Lord Jesus born from the Zoë - Word of God and we born out of sinful parents!

However, both went through the 1 Peter 1 vs 9 development his reflected in by: Hebrews 5 vs 5 -10 and especially in vs 7 on "His struggles in his carnal body" ☐ culminating in the Calvary's -sacrifice the Great Atonement of our Lord this was base for a "possible" renewed relationship with the Holy 3 only God through repentance and forgiveness the gateway - by the precious sacrifice of the Lamb of God- unto the road to reconciliation with the Father !

Ezekiel. 36 vs 26 / Matthew 11 vs 28-30 & John 3 vs 5 -7 showing by Revelations 3 vs. 20 ' n open road to the heart of the Father this as we sow through the process of the transformation of the redeemed soul legally by the expensive blood - 1 Peter 1 vs 9 unto the status of eternal-creation of an everlasting live *in* him as: within our Lord are the resources to reach this goal! Mention this: the Collosians3 process is supported by the relationships we developed with Jesus & the Holy Spirit also found in Isaiah 11 vs 1- 3 & 50 vs 4 - 10; read now here please also:

[Zacharias 2 & 3-Isaiah 35 & Hebrews 12 and 2 Corinthians 5-6.](#)

About the actual training to the 1 Peter 2 vs 9 priests / warriors of the Most High - essential here → to note the necessary compassion needed- a very precious fruit that comes from our relationship with the warm heart of El Shaddai-! This develops in us the Psalm 23 vs 5 Covenant and bears as result the precious Hebrews 1 vs 9 the *joy-anointing* in that kingly-priesthood of Melchisedec ☐

The ultimate purpose of the sacrifice from our the Lord Jesus the Christ on that cross –
See: John 19 - 20 & Isaiah 53 there we'll read
