

Co - Workers "R Priesthood of God"
Examination – answers

Herewith some testing - questions on all of our lessons from our Seminar!!

Step 1 *Answers!*

1 . In the beginning men lived by an inner law; Henoch walked with God and was no more; Abraham was called a friend of God; then later on men lost track and their hearts were hardened and no longer connected to God and since Sinai God gave Moses a new law on 2 stony Tablets as well as a blue print on the Tabernacle also His chosen way to serve Him included the yearly : "Day of Atonement" a shadow of that: "Great day of Atonement" → the ultimate way of reconciliation and do read Coll 3 / Hebr 12 Is 35 – 1 Cor 9 and 10 !

2 . All of these scriptures point out His way of restoration / transformation for / of the redeemed soul / hearts & conscious; except for: 2 Corinthians 5 & 6 which show the "Grace" development / preparation of the ministry of reconciliation of His 1 Peter 2 vs. 9 priesthood !!

Step 2 *Answers!*

Please here your personal view on the subject: "The fear of the Lord" mention here the heart attitude of those - particular mentioned - 3 God fearing / loving men; though their ministering was different from each other they were dedicated deeply to our Most High!!

Step 3 *Answers!*

1 .Peter before he treated his Lord was impulsive / brave and kind of an instable heart; then after the Lord did reconcile Him – after that event - and after the Lord ordained him to guide His flocks he proved to be changed and after Acts 1: 8 He was filled and anointed with the Spirit of the Most High though however **still** bound by a Judaism religious spirit; He did however pasture the Diaspora with wisdom and great compassion!

2 . Mention also this answer will be different to each of you; as it'll depend on the development in these areas from all of the Co – Workers: personally- !

Step 4 *Answers and work outs!*

1 The completed Schedule on Rev 2 - 3 !!

2 . The green / emerald rainbow in ch 4 reflects the inner attitude of grace & compassion of the heart of the Father; it also points out the deepest collar in the total spectrum of collars in His heart; mention this: fellowship out of holiness / grace with Abba will guide us into deeper Words of wisdom and in the anointing from the eternal One and also on a clear view on more recent revelations - the old & new wines; Isaiah 25 shows a deeper view on these!!

Step 5 *Answers / work outs*

Mention: also these quests will have to be answered personally as each of us experienced and is guided by the Holy Spirit in His own ways – so please do pay good attention to their developments here as these also can be of good use in selecting new Co - Workers in our min.: "R Pr of God" !!
